

Featured Conferences: BIOMATH 2015 and BIOMATH 2015-S

The present volume features the International Conference Biomath 2015:

<http://www.biomath.bg/2015/index.php>

as well as the associated conference Biomath 2015-S:

<http://www.biomath.bg/2015-s/index.php>.

The volume contains abstracts of these presentations at these two conferences as well as two original research articles:

Ivan Ivanov, Kiril Kirilov, Statistical Analysis of Codon Pairs Usage in Prokaryotic Genomes;

Milen K. Borisov, Simulation of Gradostat Using System Simulation Software Tools.

Svetoslav Markov
Editor in Chief
